1. Tom Cryer & Larry Becraft are Constitutional and tax attorney experts and leaders in their respective fields in the tax freedom movement.

I took some notes of an audio steam this morning which did not repeat itself so this is all I have.

[Here are my notes from the recording of the Larry Becraft/Tom Cryer live presentation in Texas](#)

- **This is a MUST LISTEN for anyone in the property rights and freedom movement**
 - **to better understand how we have been totally taken by deception**
 - **This take over of our property is done with semantic swindling play on our belief system**

- Whereby they convert your rights into privileges
- and force you to pay for what is free and God given

My notes follow FYI

1. **The Rights vs. Privileges have been flipped upon us by the government, i.e. we have the rights, they have the privileges, if we grant them .**
2. **There are no such thing as "constitutional rights", he says never use this phrase. Our rights are innate and came to us as birthrights. the constitution does not gives us rights, we have them already.**
3. **Allodial title in genuine ownership of property. If you have no allodial rights, you have NO property rights**
4. **The term 'real-estate implies ownership of property ABOVE GROUND**
5. **The term 'property' implies complete ownership, as in allodial, the rights of a king**
6. **We must relearn how to reclaim and own our private property by allodial title**
7. **He has a complete course on Learning how to own your land in allodial title**
8. **When you own your property fully, you don't have to ask anyone to build, rearrange, improve or destroy it. Your allodial title gives you full and complete rights to do with it as you please.**
9. **Just as you own your body and it is yours to do with as you please, so you own your private property when you have complete and full title, e.g. allodial.**

10. The government has created a grand deception, e.g. adhesion contracts and state shared ownership of YOUR property by diluting your birthrights, your unalienable rights, your God given rights
11. He says "why do you have to purchase a conceal carry permit when you already have a right to keep and bear arms. This is another example of the government adhesion "contract" debauchery they have set up to brain wash and control US to take away our power and transfer it to them. As many of you know there are over 20,000 laws, codes, regulations, fines, fees, acts, ordinances, you name the taking and the dark side has created it to control you and transfer your rights, your power and your wages and your wealth from you to them.
12. He gives another example of marriage licenses as a state adhesion contract that is a total illegitimate taking of your private property rights to marry in common law or however you decide. Marriage is between you and God, not the dam state. I was totally brain washed on this when I got married.
13. He explains the natural laws were clear even before the Magna Carta that the "creator", i.e. YOU and God are higher than the created, i.e. government
14. Are birthrights include sovereign powers
15. He got into levels of tyranny, i.e. government
 1. Monarchy
 2. Oligarchy - Socialism & Communism, i.e. THE CURRENT STATE OF AMERICAN GOVERNMENT
 3. Democracy - Majority Rule
 - Minority Looses
 - No individual rights only privileges granted to you by the majority

- Majority takes what they want of your private and public property

4. Republican Form of Government

- Article III, Section 4, "The United States shall guarantee to every State in this Union a Republican Form of government..."
- Republics are based on RIGHTS
- "memorize your rights and demand them and fight for them"- see attached
- "remind your government "servants" they have no rights only privileges"
- you cannot vote away individual rights

16. Allodial titles on your vehicles are obtained through a Manufacture Statement of Origin

- No Taxes
- No Registration
- Demand the complete file on the vehicle if it is used
- Easier to obtain with a new vehicle
- difficulty varies by state, Arkansas easy

1. Our rights and their privileges are not clearly understood and this has created, in part the mess we are in.
2. While possession is 90% of the law, you need complete ownership for 100% , e.g. allodial title, land patent
3. You have to understand the law well enough to assert it
4. Property Rights vs. Privileges

5. Government is going to make your life as miserable as possible to control you
6. The Constitution doesn't give YOU anything
7. Hale vs. Hinkle Supreme Court decision - "your power to contract is unlimited"
8. The average lifetime of a civilization is 200 years, America is 232 years old, what does that tell you

The 10 PLANKS stated in the Communist Manifesto ARE HERE IN AMERICA

1. Abolition of private property and the application of all rents of land to public purposes.

Americans do these with actions such as the 14th Amendment of the U.S. Constitution (1868), and various zoning, school & property taxes. Also the Bureau of Land Management (Zoning laws are the first step to government property ownership)

2. A heavy progressive or graduated income tax.

Americans know this as misapplication of the 16th Amendment of the U.S. Constitution, 1913, The Social Security Act of 1936.; Joint House Resolution 192 of 1933; and various State "income" taxes. We call it "paying your fair share".

3. Abolition of all rights of inheritance.

Americans call it Federal & State estate Tax (1916); or reformed Probate Laws, and limited inheritance via arbitrary inheritance tax statutes.

4. Confiscation of the property of all emigrants and rebels.

Americans call it government seizures, tax liens, Public "law" 99-570 (1986); Executive order 11490, sections 1205, 2002 which gives private land to the

Department of Urban Development; the imprisonment of "terrorists" and those who speak out or write against the "government" (1997 Crime/Terrorist Bill); or the IRS confiscation of property without due process. Asset forfeiture laws are used by DEA, IRS, ATF etc...).

5. Centralization of credit in the hands of the state, by means of a national bank with State capital and an exclusive monopoly.

Americans call it the Federal Reserve which is a privately-owned credit/debt system allowed by the Federal Reserve act of 1913. All local banks are members of the Fed system, and are regulated by the Federal Deposit Insurance Corporation (FDIC) another privately-owned corporation. The Federal Reserve Banks issue Fiat Paper Money and practice economically destructive fractional reserve banking.

6. Centralization of the means of communications and transportation in the hands of the State.

Americans call it the Federal Communications Commission (FCC) and Department of Transportation (DOT) mandated through the ICC act of 1887, the Commissions Act of 1934, The Interstate Commerce Commission established in 1938, The Federal Aviation Administration, Federal Communications Commission, and Executive orders 11490, 10999, as well as State mandated driver's licenses and Department of Transportation regulations.

7. Extension of factories and instruments of production owned by the state, the bringing into cultivation of waste lands, and the improvement of the soil generally in accordance with a common plan.

Americans call it corporate capacity, The Desert Entry Act and The Department of Agriculture... Thus read "controlled or subsidized" rather than "owned"... This is easily seen in these as well as the Department of Commerce and Labor, Department of Interior, the Environmental Protection Agency, Bureau of Land Management, Bureau of Reclamation, Bureau of Mines, National Park Service, and the IRS control of business through corporate regulations.

8. Equal liability of all to labor. Establishment of industrial armies, especially for agriculture.

Americans call it Minimum Wage and slave labor like dealing with our Most Favored Nation trade partner; i.e. Communist China. We see it in practice via the Social Security Administration and The Department of Labor. The National debt and inflation caused by the communal bank has caused the need for a two "income" family. Woman in the workplace since the 1920's, the 19th amendment of the U.S. Constitution, the Civil Rights Act of 1964, assorted Socialist Unions, affirmative action, the Federal Public Works Program and of course Executive order 11000.

9. Combination of agriculture with manufacturing industries, gradual abolition of the distinction between town and country, by a more equitable distribution of population over the country.

Americans call it the Planning Reorganization act of 1949, zoning (Title 17 1910-1990) and Super Corporate Farms, as well as Executive orders 11647, 11731 (ten regions) and Public "law" 89-136. These provide for forced relocations and forced sterilization programs, like in China.

10. Free education for all children in public schools. Abolition of children's factory labor in its present form. Combination of education with industrial production.

Americans are being taxed to support what we call 'public' schools, but are actually "government force-tax-funded schools" Even private schools are government regulated. The purpose is to train the young to work for the communal debt system. We also call it the Department of Education, the NEA and Outcome Based "Education". These are used so that all children can be indoctrinated and inculcated with the government propaganda, like "majority rules", and "pay your fair share". WHERE are the words "fair share" in the Constitution, Bill of Rights or the Internal Revenue Code (Title 26)?? NO WHERE is "fair share" even suggested!! The philosophical concept of "fair share" comes from the Communist maxim, "From each according to their ability, to each according to their need! This concept is pure socialism. ... America was made the greatest society by its private initiative WORK

ETHIC ... Teaching ourselves and others how to "fish" to be self sufficient and produce plenty of EXTRA commodities to if so desired could be shared with others who might be "needy"... Americans have always voluntarily been the MOST generous and charitable society on the planet.

Do changing words, change the end result? ... By using different words, is it all of a sudden OK to ignore or violate the provisions or intent of the Constitution of the united States of America????

The people (politicians) who believe in the SOCIALISTIC and COMMUNISTIC concepts, especially those who pass more and more laws implementing these slavery ideas, are traitors to their oath of office and to the Constitution of the united States of America... KNOW YOUR ENEMY ...Remove the enemy from within and from among us.
