**Subject:** Why the Left NEEDS this movement to DIE

Hello Jack,

All we ever asked for was fairness, but those who have seized control of our elections don't want fair, they just want power.

And because of that, there is nothing clearer than the following, disturbing truth:

**The Radical Left NEEDS the Election Integrity movement to die. They need us gone. They need us out of the picture.**

In fact, it is clear they already expected us to fall in line, backing down, believing their "there is nothing to see here" lies.

**But alas, we haven't backed down. And we know that the more we look the more we see. And they are desperate to shut us up and silence us and to DESTROY this movement, inside and out.**

Here is a dark reality. When your power is based on voter suppression and fraud, you need EVERYONE to be unquestioningly loyal to the system. Only if no one questions the system is it possible to pull off fraud on the scale of the Leftists in Arizona.

**But here is the distinction that they don't get and also why this Election Integrity Movement will never die.**

**I am loyal to America. I am NOT loyal to the corrupt, fraudulent system in Arizona.**

This is why the unjust, corrupt court system in Arizona dismissed my lawsuit and now Hobbs and Fontes' lawyers are working with the courts to push down harsh, punitive sanctions on me for even daring to ask for transparency in Arizona's elections.

This is why Kari Lake's trial was forced to go to appeal, so that the evidence could see the light of day.

They are trying suppress the truth, and punish those who want the truth. This is why I need your help to fight back. We are fighting hard in Arizona, and I cannot continue without your support.
