Subject: U.S. Bureau of Barbarians of Land Mismanagement & U.S. Fish & Wildlife Service

With the recent miracle freeing Rancher Cliven Bundy and his two sons and a Montana Citizen, I am spurred to celebrate by sending you the following presentation.

1. **Bureau of Barbarians Land Mismanagement -**
<http://www.freedomforallseasons.org/BureauofBarbariansLandMismangement.pdf>
2. This is a 50 slide PowerPoint pitch converted to PDF covering the Bundy Ranch standoff and Bundy/Hammond Malheur refuge standoff (taken by pressuring ranchers to sell) by the USFWS/BLM.

I raise my hat to the Trump team in draining this government swamp. Once it is drained, drain it again and again, like washing dirty hands.

Sincerely,

Jack Venrick
