**Subject: Trust The Plan**

## **I thought this 56 minute January 7, 2021 audio update by Dave of the X22 Report was worth your time.**

- <https://x22report.com/shot-heard-around-the-world-it-had-to-be-this-way-the-crime-of-treason-has-been-completed-ep-2372/>

- + Dave X22 Report never gives out his last name.
- + My short take is the election fraud was allowed to move forward to fully expose the bad actors involved.
- + Those involved in the election fraud were allowed to commit and complete their crimes of treason.
- + If you can wrap your mind around this huge leap of faith you will become a Q fan.
  - I completely understand those who find the Q movement ridiculous.
- + While I have been a Q follower since the beginning (last quarter 2017 or so)
  - And have bought and read both Praying Medic's (Dave Hayes) books,
    - Dave of the X22 Report pushes my belief system.
    - He has totally bought into the Q Plan and the X22 Report is heavily followed.
    - Is this assumption true is the question.
    - It is obvious that President Trump signs the shape of "Q" and points out his followers with Q hats and T-shirts.
- + **Q has repeated many times to "Trust The Plan".**

➤ Here is a classic drop from Q to help you understand Trust The Plan.

2. a person who regards himself or herself as a defender, especially of individual rights, against presumed interference by the federal government.

Traitor  
1. a person who betrays another, a cause, or any trust.  
2. a person who commits treason by betraying his or her country.

Fellow Patriots:  
What you are about to learn should not only scare you, but intensify your resolve to take back control **[Freedom]**. The information that will become public will further demonstrate the criminal & corrupt **[pure evil]** abuse of power that the Hussein administration undertook in joint efforts w/ domestic and foreign dignitaries. The snowball has begun rolling - there is no stopping it now. D5.  
Stay the course and trust the plan.  
Protective measures are in place.

## ➤ Is Trump working with the Military and their Intelligence Operation.

- Q says there is a recognized triangle arrangement with the Office of the President on one leg, the U.S. Military on the other and the Military Intel on the 3<sup>rd</sup> leg.
- Q has said that the swamp is so deep and broad only the military can deal with it, my crude summary.
- Here is another Q Post below dated 9/20/2020 to get the thrust, you decide if this is real.
  1. I am definitely not selling anyone on Q!
  2. I am only trying to stage what Dave of X22 Report, Praying Medic, aka Dave Hayes and many Patriots and Q followers , you have to decide for yourself.

How do you 'extend' lockdown(s) [economic hardship(s), unemployment, fear, death count, dementia Joe, etc.] in order to paint narrative mail-in voting [when did narrative start (March?\_early?\_planned?)] needed to 'save' lives [+ballot harvesting] in order to generate a future narrative election day +1 which casts doubt as to legitimacy of POTUS win [Constitutional Crisis][**"not all mail-in ballots counted"** **"how many mail-in ballots lost or did not arrive in key battleground states which could have returned a different result"** **"we must investigate who cast a vote but it did not register"** **"we must go door-to-door if needed [ballot harvest]"** "our lives are at stake" "the sky is falling" in order to legally challenge, delay results, enact riots and chaos in an attempt to overturn [coup d'etat].

CRIMES AGAINST HUMANITY?

What role will select military inserts play [the 'bribe']? [playbook known]

What did we learn from past attempt(s)?

Spying [surveillance + campaign insert(s) + WH insert(s)].

Mueller.

Impeachment.

Why did it take an 'outsider' to finally deliver the 'start' of peace in the Middle East?

Why did it take an 'outsider' to finally deliver the 'start' of finally holding China accountable?

THE DISEASE CALLED CORRUPTION.

Running RED.

➤ **U.S. Political System vs. the U.S. Military**

- 1) If you buy into Q as part of the Military and Intel Operation started by a few hundred generals after the JFK assassination another leap you have will have to decide to make.
- 2) It is obvious to any Patriot especially after this fraudulent election that the American political system cannot solve any problems, in fact, it is better at creating more problems than solving!
- 3) Q paints the picture that the U.S. Military see this too.
- 4) An average American state Citizen with an open mind can see this and most foreigners can see it better.
- 5) I have over 15 years of evidence that America is slipping deep into Globalism, Communism, Socialism, etc.
- 6) I have stated a few times my Grandfather saw it too and this was back in the first half of the 1900's.
- 7) All our fundamental and founding laws have been perverted and ignored and this includes the perversion of the territorial to state constitutions when they were written and "approved", I have the proof.
- 8) We have seen the coup against a more or less honest 2016 election of President Trump.
- 9) They can't stand him; they know he is big enough to change the Central Bank game along with all the international trading fraudulent deals.
- 10) There are some 200,000 sealed indictments written up on the Deep State bad actors in Trump term.
- 11) This is real and I have seen the records, they are public information but you cannot open them.
- 12) This is how bad it is and if you cannot wrap your mind around this you are limiting your belief system because it blows your mind, I understand that, it blows my mind!
- 13) The Globalist/Deep State count on this, you are rendered helpless because you cannot imagine the problem!

➤ **This is just one of hundreds of Q posts/drops using the key word "military", see next page drop.**

- Do you see where Q is going here with the use of counterinsurgency, civilian and military efforts?
- This is a very key drop in 9-14-2020 to understand the thrust of over 3 years of posting on a number of platforms, many of which were shot down by the Deep State.
- If the left and Deep State thought this was fake conspiracy, why would they block Q?

Worth remembering **[think what you see today]**.

<https://2009-2017.state.gov/documents/organization/19629.pdf> 📄

Insurgency can be defined as 'the organized use of subversion and violence to seize, nullify, or challenge political control of a region.'

Insurgents seek to subvert or displace the government and completely or partially control the resources and population of a given territory. They do so through the use of force (including guerrilla warfare, terrorism and coercion/intimidation), propaganda, subversion and political mobilization. Insurgents fight government forces only to the extent needed to achieve their political aims: their main effort is not to kill counterinsurgents, but rather to establish a competitive system of control over the population, making it impossible for the government to administer its territory and people. Insurgent activity is therefore designed to weaken government control and legitimacy while increasing insurgent control and influence.

Insurgents require supporters, recruits, safe havens, money, supplies, weapons and intelligence on government actions. A robust insurgency can be waged with the support of just a small percentage of a given population.

NEXT:

Counterinsurgency may be defined as 'comprehensive civilian and **MILITARY** efforts taken to simultaneously defeat and contain insurgency and address its root causes'.

- News is going around Europe with documentation and pictures.
- Details on how funding took place are exposed.
- Rock Solid Proof.
- Obama in 2017 was left with 14 pallets of cash.
- They have the exact travel plan.

## Can YOU Trust The Plan?

- My off the cuff crack is there certainly is no other plan of this magnitude to trust!
- So why not!
- “The tree of liberty must be refreshed from time to time with the blood of patriots and tyrants. It is it’s natural manure. Our Convention has been too much impressed by the insurrection of Massachusets: and in the spur of the moment they are setting up a kite to keep the hen yard in order. I hope in god this article will be rectified before the new constitution is accepted.”
