Subject: The Terror Inside America

To: Americans Sleep Walking Away Their Freedoms:

Thanks Ron of www.narlo.org & Rod of www.proprights.org for forwarding this news.

Although this happened in 2001 after the twin towers were struck by Islamic terrorists and our concerns for our our defence were high, you can see how easily the line is crossed. Here are more must read articles including all the sites.

NOTE THERE IS NO MENTION ON THE FLYER OF ISLAMIC TERRORIST AND THEIR PROFILE.
