Subject: Is Obama truly eligible to hold office?
jacksranch,

I AM a birther... I guess so, if it means that I am not afraid to ask questions of a man who is deathly afraid of producing an original birth certificate.... why?

I've uploaded 8 minutes of video by Dr. Orly Taitz, from her 50 minute presentation showing why Obama may not be eligible to hold the office of President.

If he has a legit right to hold office and nothing to hide, why not show the birth certificate and end the debate. McCain did...

Every law, every act, every bailout may be reversed if Obama did in fact defraud America. Time to set the record straight!
