A judgment day is coming

All we can do now is PRAY and see?

Good luck judge!

Well,

Here comes the Judge & it's not FLIP WILSON

Federal Judge Carter sets Trial Date for Obama's Eligibility!

The expedited trial has been set for Jan. 26, 2010!

Many concerned veterans and citizens attended the hearing in Federal Court in Santa Ana in the lawsuit against Barack Obama to determine his eligibility to be President and Commander in Chief. About 150 people showed up, almost all in

support of the lawsuit to demand that Obama release his birth certificate and other records that he has hidden from the American people.

Judge David Carter refused to hear Obama's request for dismissal. He indicated there was almost no chance that this case would be dismissed. Obama is arguing this lawsuit was filed in the wrong court if you can believe that. Obama would prefer a "kangaroo court" instead of a Federal court! Assuming Judge Carter denies Obama's motion for dismissal, he will likely then order expedited discovery which will force Obama to release his birth certificate in a timely manner (if he has one).

The judge, WHO IS A FORMER U.S. MARINE, repeated several times that this is A VERY SERIOUS CASE which must be resolved quickly so that the troops know that their Commander in Chief is eligible to hold that position and issue lawful orders to our military in this time of war. He basically said OBAMA MUST PROVE HIS ELIGIBILITY to the court! He said Americans deserve to know the truth about their President!

The two U.S. Attorneys representing Barack Obama tried everything they could to sway the judge that this case was frivolous, but Carter would have none of it and cut them off several times. Obama's attorneys left the courtroom after about the 90 minute hearing looking defeated and nervous.

Great day in America for the U.S. Constitution! The truth about Barack Obama's eligibility will be known fairly soon - Judge Carter practically guaranteed it!

**Video from the press conference after the hearing coming soon. Congratulations to plaintiff's attorney Dr. Orly Taitz! She did a great job and won some huge victories. She was fearless!
This needs to be forwarded to everyone you know....**

KEEP THIS JUDGE & THE PEOPLE INVOLVED IN GETTING THE TRUTH OUT IN PRAYER
